BIG IDEAS.

SMALL BRICKS.

AVAILABLE
TO SCHOOLS
ACROSS THE
NORTHERN
RIVERS,
GOLD COAST &
BRISBANE

Hands-on, LEGO-based activities that get children creating,
communicating, **problem-solving** and **working together**.

TEAMWORK

Build together,
share ideas,
take turns and
achieve more
as a team.

PROBLEM SOLVING

Plan, test,
rebuild and try
again. Every
challenge is a
chance to grow.

COMMUNICATION

Explain ideas,
listen to others
and collaborate
to bring creations
to life.

CREATIVITY

No single right
answer. Encourage
imagination and
the confidence to
be original.

FOCUS & THINKING

Hands-on
building develops
dexterity,
coordination and
control.

MORE THAN
JUST BUILDING.

Every challenge has a purpose -
building together, solving problems,
communicating ideas and creating
something from their imagination.

THEY THINK
THEY'RE PLAYING.

WE KNOW
THEY'RE LEARNING.
