INCLUSIVE SOCCER

Group & 1:1 sessions for NDIS participants

Using soccer, movement and connection
to build confidence, communication,
coordination and independence, in a
way that works for each participant.

GROUP SESSIONS

Inclusive, pressure-free sessions
with activities adapted so every
child can participate, connect
and have fun.

Together. Supported. Included

1:1 SESSIONS

Individual sessions tailored
around the participant's interests,
abilities and goals. Support that's
focused on their unique needs.

Focused. Personalised. Empowering.

A real example

Liam, 8, found group activities overwhelming
and struggled to join in. He began with 1:1
sessions focused on confidence, coordination
and communication.

As his confidence grew, Liam transitioned into
a small group. With familiar faces and
ongoing support, he now joins in, makes
friends and looks forward to every session.
